

TEMPORARY TENANT APPLICATION FORM

The information you provide will be forwarded to our list of Downtown commercial business owners who are interested in having a Pop-up within their place of business. It is at the sole discretion of each business owner who they invite into their space. The particulars of any temporary tenancy are negotiated between the hosting business and the temporary tenant. The St. Catharines Downtown Association is not involved beyond the facilitation of gathering initial information and forwarding it to business owners who have indicated their interest in hosting Pop-ups.

What is the name of your business? What is your product? Are you the sole creator?

What are your goals for your business? Why, at this stage, is it important for you to access space?

Do you have a professional display you use to showcase your product(s)?

What length of temporary tenancy are you seeking? When did you want to start in a space?

Are you interested in a consignment situation or would you prefer to be present in the store full-time/part-time?

Are you prepared to pay a rental/consignment fee to the store owner?

If you receive a call from a Downtown business owner, be prepared to attend an interview with them to provide details about your product, samples of your product(s), pictures of your display, your social media presence and ability to generate foot traffic.
